

WECAN Associate Membership Application Site Visit Guidelines for the School

for the 2021-22 School Year

PURPOSE OF THE WECAN SITE VISIT

A site visit is required for all WECAN membership applications and renewals. The purpose of the site visit is to identify the overall strengths and challenges of the early childhood program(s), rather than to focus on specific pedagogical practices. The visitor will seek to gain as full a picture as possible of the early childhood program(s) in relation to the completed Self-Study and the WECAN Shared Principles, and will make commendations and recommendations for the growth and development of the program. Schools and programs are expected to work actively with these recommendations in preparation for the next membership renewal.

ARRANGING FOR A SITE VISIT

The WECAN Membership Coordinator or your WECAN Regional Representative(s), listed in the WECAN Membership Handbook, can provide you with a list of potential WECAN site visitors. The Regional Rep may also be able to recommend a particular site visitor that would be a good fit for your program. You are responsible for reaching out to possible site visitors and arranging for the visit. If you have a particular visitor in mind who is not on the WECAN site visitor list, you may request approval for this site visitor from your Regional Rep and the Membership Coordinator.

Please arrange for your site visit to take place by May 1st to ensure that your renewal can be completed by the end of the school year. The usual WECAN site visit is one day, however, we strongly encourage schools, especially those with multiple early childhood groups or those seeking extra support, to arrange for a longer visit.

HONORARIUM AND EXPENSES

The school is responsible for the honorarium, travel expenses, and, if needed, meals and accommodations for the site visitor by prior arrangement. The honorarium is \$380 for a one-day site visit or \$650 for a two-day visit plus the writing of the report. For car travel, the reimbursement is \$.56 per mile. All schools and programs are expected to pay the full honorarium for the site visit unless the site visitor agrees to a different amount in advance.

For programs in Mexico, Puerto Rico, and on tribal lands, a lesser honorarium may be mutually agreed upon by the school and the individual site visitor prior to the visit.

NO LATER THAN TWO WEEKS PRIOR TO THE VISIT

Forward your completed Self-Study electronically to the site visitor. This document should also be forwarded to the Membership Coordinator and your Regional Rep(s) at this time.

Also provide the site visitor with the following documents, forwarded electronically. These are available on the Membership page of our website, www.waldorfearlychildhood.org. Click on Applications, then Associate Membership, then Schools and Centers; or you may request the documents from the Membership Coordinator, membership@waldorfearlychildhood.org.

Please assemble program brochures, recent newsletters, parent and policy handbooks, etc. for the site visitor to review during the visit.

THE VISIT

Please prepare a schedule of the day for the visitor, including visits to the early childhood groups in attendance that day, and separate meetings with a few parents, administrative staff, and, if feasible, board members. It is also helpful if the visitor is given some time during the day to make notes and prepare for meetings. It is always important for the visitor to see a representative cross-section of all programs including birth to three, childcare, parent-infant, parent-child, nursery/preschool, kindergarten, before school, afternoon, and extended care.

Please be sure to arrange time (at least 90 minutes) and a quiet place for the visitor to meet with as many early childhood teachers and care providers as possible, including birth to three, childcare, parent-infant, parent-child, and afternoon teachers, particularly those who carry responsibility for the development of the program. This will be an opportunity for the site visitor to share impressions, review commendations and recommendations, and answer questions. This is also an opportunity for the teachers to learn more about the activities of WECAN. If assistants can attend meetings as well, that is ideal.

Here is a sample schedule that can be adapted to your situation as agreed upon with your site visitor:
