Alma Partners is a multiracial group of educators, founded in 2020 after 10 years of germination. Our goal is to help schools and other organizations operate with soul ("alma" in Spanish), bridging the gap that sometimes opens up between ideals and actions. We can support you to strategize, transform, and thrive, more deeply aligning your practices with your organization's fundamental values. We are part of the Waldorf movement and offer expertise in Admissions/Enrollment, Curriculum Development and Diversifying Curriculum, DEI (Diversity, Equity, and Inclusion), Marketing/Communications/Community Engagement, and Strategic Planning. We work on site when possible, and online, partnering with you on long-term organizational goals or helping you solve short-term challenges. www.almapartners.net

Beeswax Precious evolved out of the candle making hobby of a teen and her mom into a business. The central idea was to promote the wondrous creature of Apis Mellifera. An additional goal became to support current studies at the wondrous Tara Performing Arts Waldorf High School. Beeswax Precious' intent is to bring consciousness for the plight of the honeybee into the home through the form of candles. All the candles are made out of 100% pure beeswax sourced in the USA. Our new venture into color involves experimenting with the leftover (recycled) Stockmar crayons as well as using other natural pigments. Find us on Instagram @beeswaxprecious. www.beeswaxprecious.com

Fellowship Community - Settled on 80 acres of farm and forest, 90 minutes north of New York City, the Fellowship Community serves the needs of elder members through the phases of aging, from independent apartment living to more direct caregiving, surrounding and supporting the individual with a more human approach to care. Here, we offer ample opportunities for members and co-workers to be actively involved in community activities like gardening, cooking, and creating in our workshops, which produce beautiful beeswax candles, wooden toys, knitted and woven handwork, pottery and more. www.fellowshipcommunity.org

The Fiber Craft Studio is a center of practice, research and teaching in the realm of the fiber crafts with the intention to serve the human being, the earth and the cosmos inspired by Rudolf Steiner's spiritual insights and practical teaching. We seek to bring enlivening impulses to the natural materials we transform, to the gardens we tend and to the social fabric of our learning community. We intend to bring renewing impulses to the art of clothing. We hand-dye the natural fibers and yarns we use with plant colors to enhance their beauty and therapeutic value. We are committed to serving Waldorf teachers and the children in their classrooms through our Applied Arts Program for handwork teachers. In addition we are reaching out to the wider public through our sales activities at festivals and conferences where we share our way of working, special materials and unique clothing. www.fibercraftstudio.org
